Service Delivery Information

I AM PHOENIX provides practical in-home and community-based support to help older people remain safe, connected, and independent at home. Services may include personal care, domestic assistance, laundry support, meal preparation, social support, accompanied activities, direct transport, flexible respite, light gardening, and small home maintenance tasks where appropriate.

Services are delivered by I AM PHOENIX staff or approved support workers. I AM PHOENIX focuses on practical support-worker services and does not publicly advertise clinical nursing, allied health, restorative care management, centre-based respite, group programs, self-managed funding arrangements, or equipment-supplier services through this price list.

Important Notes

I AM PHOENIX accepts Support at Home clients where I AM PHOENIX provides care management and coordination of the client's supports. Service availability, total cost, and service frequency may depend on the client's assessed needs, approved budget, agreed services, travel distance, and service agreement.

Prices are provided as a public guide for Support at Home services. Clients and representatives should contact I AM PHOENIX to confirm the most suitable support arrangement before services commence.

Care management model: I AM PHOENIX accepts Support at Home clients where I AM PHOENIX provides care management and coordination of the client's supports. I AM PHOENIX does not currently accept self-managed Support at Home funding arrangements.

Transport note: Transport is charged at \$1.00 per kilometre. Where a support worker accompanies or transports a client, support-worker time may also be charged at the relevant hourly service rate.
