SUPPORT AT HOME PRICE LIST

ONGOING CLASSIFICATION SERVICES

Our rates for fixed price services ensure the quality and safety we demand from all our workers and providers. Some service rates vary, depending on the clinician or specialist you choose, and the treatment or service they are delivering. In these cases, we have indicated the percentage we mark up their price to cover our costs, under the rules of Support at Home.

SUPPORT AT HOME PRICE LIST

SHORT-TERM CLASSIFICATION FUNDING

In addition to your ongoing Support at Home funding, you can be assessed by My Aged Care for:

Assistive Technology &
Home Modifications

Short-term Restorative
Care Pathway

End-of-Life Pathway

ASSISTIVE TECHNOLOGY & HOME MODIFICATIONS

All items eligible through the AT-HM scheme are categorised as either:

Low risk

Simple and relatively low-cost daily living products that don't need a prescription or customisation.

Under advice

Low-risk items that benefit from professional advice to ensure that they are selected, installed or used effectively.

Prescribed

Items that require a prescription from a suitably qualified health professional, like an assessment from an Occupational Therapist.

If the item requires a prescription, you will need an assessment by a clinician, such as an Occupational Therapist, a Physiotherapist or Speech Pathologist. Our team will coordinate the assessment for your prescription and provide quotes for your approval.
