Live your best life with care at home

With a Home Care Package from DDN, you can pick the services that work best for you and get help right at home.

Personal Care	Help with things like showering, getting dressed, and looking your best.	
Domestic Assistance	Support with chores like cleaning, washing clothes, and cooking meals.	
Social Support	Someone to spend time with or help you join community activities.	
Respite	Care to give your family or carers a little break.	
Lawn & Garden	Help with yard work like lawn mowing or trimming plants.	
Linen Service	Picking up dirty sheets and towels and delivering fresh, clean ones.	
Nursing	Health care like taking care of wounds, managing medicine, or checking on health issues.	
Physiotherapy	Exercises and treatments to help you move better and stay strong.	
Occupational Therapy	Tips and changes to make your home safer and everyday tasks easier.	

If your needs change over time, we can adjust our services to make sure you always get the right care and support.

Package Management

Care Management helps you plan and coordinate the services in your Home Care Package, ensuring your care meets your needs and goals. **Package Management** involves handling the administrative side of your package, like managing budgets, organising service payments, and ensuring government rules are followed. Together, these services ensure you get the most out of your Home Care Package while staying organised and supported.
