

SUPPORT AT HOME PROGRAM FEE SCHEDULE 1 NOVEMBER 2025

At JCS, we work in partnership with you to provide greater choice and flexibility, empowering you to make informed decisions about the care and support that best suits your needs. Our aim is to support you in accessing a full range of care and well-being services, helping you make the most of your Home Care Funding.

We're proud of the strong reputation

we've earned as a boutique aged care provider in Adelaide, trusted by a diverse community of individuals who rely on us for high-quality in-home and community support services.

At JCS, we take pride in delivering personalised, high-quality care and fostering meaningful community connections that enhance individual well-being. Our fully managed care services include dedicated coordination of your Support at Home by an experienced care partner, who will work closely with you to develop a tailored, person-centred care plan—regularly reviewing and updating it as your goals and needs evolve.

CARE MANAGEMENT

All **Support at Home** participants have access to Care Management, which supports participants to get the best outcomes from their aged care services. Care Management activities are delivered by an appropriately qualified Care Partner and includes care planning, service coordination, monitoring, review and evaluation, support and education.

Support at Home participants who receive ongoing services will have 10% of their quarterly budget set aside for care management.

Classification	Approx Care Management hours per month	Cost per hour
