Disclaimer
Our Prices (including those in our current Price List) will increase up to twice a financial year and we will provide you with at least 14 days’ notice of a change. If we notify you of a change, our fees and charges will increase by an amount up to the greater of 5%, any increase in CPI (All Groups, Melbourne) and any increase in the average wages of personnel concerned with the provision of home care (casual and permanent) under an applicable award or industrial instrument since the last review or if there has been no prior review, the Start Day. Fees are effective from 1 November 2025. Most services are GST free, if GST applies it will be added.
MCWA does not charge exit fees. Self-managed clients will attract a 10% care management fee as of 1 November 2025. We may adjust Service Charges or a component of them in accordance with the Price List, or in any other manner agreed, including as set out in the Price List. Any delay in adjusting fees and charges does not prevent us from applying a charge from the relevant date. If an adjustment will result in the amounts, we charge exceeding any caps or limitation under the Aged Care Act, an adjustment will be made up to the maximum amount permitted.
All care services are identified in your Price List. Except for Social Support and Community Engagement, and unless otherwise identified on the Price List, the default unit price is set per hour.
Occupation Therapy assessments must be followed by Occupation Therapy Prescriptive Services which will result in an additional three hours of service. Cancellation of any service listed in the Price List within two business days will be charged to your package at the full rate. The Price List sets out common fees; other service fees may apply. Each third-party provider will have a cancellation fee if the service is cancelled by MCWA client(s) within two business days and is payable in full by the client.
