"-" indicates unavailable based on historical services engaged under the Home Care Package program by HomeMade customers.

Prices are based on the most often (mode) price of self managed services received by HomeMade customers under the Home Care Package program between the 1 April 2025 - 25 September 2025.

Self managed unit prices are set by the service provider the customer engages directly. HomeMade applies a registered provider loading fee (capped at 10%) to unit prices for self managed customers.

Pricing applies from 1 November 2025
