## Additional Fee and Charge Information

All prices are all-inclusive (labour, travel, and administration) and shown in AUD. GST is generally not payable on government-funded home care services. However, it may apply to some privately funded services or goods.

Salveo HomeCare provides a wide range of services to help you stay safe, well and independent at home - from nursing and allied health to personal care, cleaning, transport and social support.

### Escorted Transport

The hourly rate for escorted transport is based on the one-way distance travelled by your support worker, as measured on the odometer.

Category	Distance	Hourly Rate
Standard trip	0 - 10km	\$115/hr
Long trip	10 - 30km	\$150/hr
Regional trip	30 - 100km	\$200/hr

### **Example:**

Robert's hospital appointment is 20 km away (one way) and takes 2 hours. This falls under the Long Trip category, so Robert will be charged \$150 per hour for the service.

### Service Hours

Day Services: 6:00am to 8:00pm

Night Services: 8:00pm to 6:00am

On weekends and public holidays, we apply a flat rate throughout the day, with separate rates for each day.

### Private Service Fees

At Salveo HomeCare, we believe everyone should have access to high-quality care — whether you receive government funding or pay privately.

That's why our private service rates are aligned with the same competitive prices listed in this guide.

No one should have to pay more for essential care and support.

Private clients receive the same level of service, flexibility, and personalised care as participants under government-subsidised programs. Whether you need short-term help, respite, or ongoing assistance, our team is here to support you with fair, transparent pricing.

Private services are available for clients waiting for Support at Home funding approval or those who wish to purchase additional hours beyond their funded budget.
