Payment options

Residents can choose to pay for their accommodation by a refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of both.

A RAD is paid as a lump sum amount. A DAP accrues daily and is paid periodically, for example fortnightly.

A combination payment includes both a partial lump sum (RAD) and daily payments (DAP).

Where a resident doesn't pay the RAD in full, they can elect to have their DAP deducted from their deposit. Where this occurs, the amount of DAP will gradually increase as their deposit decreases. As the RAD deposit decreases, the resident may be required to make a further deposit if the deductions are to continue.
