Aged Care Services

Resthaven - a Profile

Who are we?

Every day, Resthaven shares the lives and wisdom of older people and their carers.

Proudly South Australian, Resthaven was established in 1935 and is a not-for-profit aged care community service associated with the Uniting Church.

Only 7% of aged care providers in Australia offer the full range of aged care service options, and Resthaven is one of them.

We aim to support you to remain independent and active for as long as possible, whether you live in your own home in the community, in a Resthaven retirement village, or in a Resthaven residential aged care home.

Resthaven is a financially independent, not for profit charity. All surplus goes towards our purpose of benefiting our customers.

Our workforce is carefully selected. Comprehensive orientation, induction, and ongoing training and development is conducted. Volunteers support a range of activities.

Our services

Resthaven supports more than 10,000 older people.

- Support in your own home
- Retirement living apartments/units
- Short term breaks (respite) for carers (in home, centre-based, or in residential care)
- Support at our community wellness centres
- Residential aged care homes
- Fee-for-service options (Lifestyle Choices *Plus*).

Interpreter services can be arranged on request.

Fees

Resthaven believes that quality aged care should be accessible to all. Fees and charges vary depending on each person's individual circumstances. Some fees are set by government.

All fees will be explained to you in detail prior to commencing a Resthaven service.

Where do I start?

To access retirement living:

If you are independent and looking to downsize to retirement living accommodation, call 8370 3756 to inspect and discuss options.

Retirement living suits people who are able to live alone with minimal support.

To access support in your own home, or residential aged care:

If you are seeking government-subsidised home support services or residential aged care, you will need to contact the government *My Aged Care* portal: Phone 1800 200 422 or visit www.myagedcare.gov.au.

Alternatively, contact Resthaven.

Independent retirement living

Still independent but want to downsize? Retirement living offers independence with the peace of mind of having all building maintenance costs and gardening covered by a fortnightly fee.

Independent retirement living options are available in units or apartments, on a 'licence to occupy' basis. See back page for a full list of retirement locations.

Should you need additional support, this can be arranged in your new home through Resthaven Community Services.

All Resthaven retirement living is co-located with a Resthaven residential aged care home, enabling a smooth move if circumstances change and more support is needed.

For more information about Resthaven retirement living, phone 8370 3756.

Respite options

Community respite

Resthaven supports people who look after family members to take a break, or 'respite' from their caring role, by offering both planned and emergency respite options. These include:

- In-home support, where a Home Support Worker visits you in your own home
- Small group outings, such as going out for lunch or a movie, or centre-based group activities
- Short term or overnight stays at one of Resthaven's 'respite' cottages.

Resthaven's respite cottages are located in the community, and provide a 'home-like' atmosphere with all meals provided and round-the-clock support by experienced staff. Dementia-specific support is available.

For more information about community respite for family carers, phone Resthaven Community Respite Services on 8358 3173.

Residential respite

Resthaven offers short term, temporary stays in all of our residential aged care homes.

We provide 24 hour support, including nursing services, assistance with daily living needs, a lifestyle program incorporating a variety of activities, and delicious meals cooked on site. Individual needs and preferences are catered for. All respite rooms are fully furnished, including an ensuite, television and phone (if requested).

For more information about a short term respite stay in a Resthaven residential care home, phone 8373 9113.

Community Wellness Centres

Resthaven offers a range of wellness and allied health services through our Community Services in metropolitan Adelaide and regional areas.

Allied health services are affordable, and include physiotherapy, occupational therapy, podiatry, speech pathology and continence management.

Services are provided on both an individual and group basis.

Take advantage of education, peer support and exercise groups that encourage and promote self-management of your specific health conditions.

Independence is encouraged. Remain living at home, and in charge of your own life, with support.

For more information about Resthaven Community services, phone 1300 13 66 33 to be connected to your nearest location (full list on back page).

Residential aged care homes

Resthaven operates 12 residential aged care homes (full list of locations on back page).

All homes are fully accredited with the Australian Aged Care Quality Agency.

When living in a Resthaven home, you will be supported with:

- Personal care requirements (showering, dressing)
- Managing medications
- Extensive care planning
- Nursing (continence support, skin care, nutrition and health)
- Exercise programs
- Engaging in your choice of personal interests
- Home cooked meals.

All residential homes support people living with dementia in a safe and secure environment.

Accommodation options range from single rooms with ensuite to premium 'suites' with extra living areas (not available at all sites).

Options are available for couples to share the same room.

Pleasant gardens, courtyards, and outdoor entertainment areas are available for residents, family and friends to enjoy. Other features include a hairdressing salon, internet cafe, lounges and dining areas. Hospitality services include catering, cleaning and laundry.

Daily meals are cooked fresh on site in well equipped kitchens. Menus are reviewed regularly in consultation with residents and a dietitian. Individual preferences are catered for.

Coordinating Chaplains provide regular worship services and pastoral and spiritual support.

For more information about Resthaven residential aged care homes, phone 8373 9113.

'Fee-for-service' options: Lifestyle Choices Plus

For those who prefer to choose their own services, or have access to additional services, Resthaven offers a user-pays service called 'Lifestyle Choices Plus.' This gives you the option to negotiate services or requests for an additional cost.

Resthaven Lifestyle Choices Plus services are available in your own home, or your Resthaven residential aged care home.

For more information about Resthaven Lifestyle Choices Plus, phone 1300 13 66 33 for community support. If you live in a Resthaven aged care home, speak with the friendly staff at reception.

Trust. Dignity. Choice.
