

November 2025 Pricing List Guide

Support at Home Program

The **Support at Home Program** is introducing **standardized pricing** for services, ensuring that all clients receive consistent and transparent pricing across the board.

Our prices are currently based on the **Government's indicative price guide**, and liaising with our **Supplier Partners**, ensuring that we align with industry standards while providing high-quality care. These changes are aimed at maintaining transparency and making it easier for clients to understand and manage.

all prices include all costs associated with delivering the services, and it can vary slightly depending on supplier.

Overview of Elka Home Care

About Elka Home Care

At Elka Home Care, we believe everyone deserves to live with dignity, comfort, and independence in the place they call home. Our mission is simple: to provide personalised in-home care that supports your lifestyle and goals.

Whether you need daily assistance, specialised care, or just a helping hand, our dedicated team is here for you. We offer flexible services tailored to your needs, delivered with compassion and respect.

As a registered provider under the Support at Home program, Elka Home Care delivers comprehensive care solutions that align with individual goals. We empower our clients by promoting choice and control over their care, enabling them to lead lives that reflect their personal preferences and needs.
