**Note:**

Care management involves planning, coordinating, and monitoring the delivery of your care and services to ensure they meet your assessed needs and goals. From 1 Nov 2025, this service is capped at 10% of your total Support at Home Care Funding.

Package management refers to the administrative and financial management of your Home Care Package funding. From 1 Nov 2025, Package Management pricing is incorporated into service prices. This means that no separate package management fees will be charged.

FBA Care currently does not offer Care Management – Self Managed by You. All Care Management is fully managed by the registered Provider, delivered by our experienced Care Manager and Service Coordination Team.

**From 1 Nov 2025, your aged care provider is required to charge a co-contribution amount, as determined by Services Australia and payable by you. FBA Care reserves the right to collect or waive this co-contribution amount at its discretion.**
