HOME CARE

# Home Care Service List and Pricing Schedule

We'll come to you,  
so you can stay at home.

# Choose care you can trust

**We're here for you**

**Caring for community** since 1954.

Still growing strong.

---

**Not-for-profit** aged care provider,  
owned by members (mostly residents  
and clients).

---

We're independent. We're not affiliated to  
any other business, organisation, property  
developer, political or religious body.

---

**We're just here to provide the best care.**

## Home is where your heart is. We come to your home to help

Trained and trusted Goodwin carers can  
help you with a range of tasks in the home  
and out in the community.

We have plenty of services so you can stay at home for longer.  
Choose from as much, or as little, support as you need.

## Support at Home helps you to:

1. Live in your own home for as long as possible.
2. Maintain independence and keep doing the things you love.
3. Recover from illness or injury.

# Care Management

Care Management at Goodwin includes a Care Management Team who will be assigned to you and will work with you to plan your care and support.

You can expect your Care Partner to:

- Assess your care requirements and work with you to develop a care plan that is tailored to your needs and goals.
- Help you understand how you can get the most from your Support at Home Package
- Ensure that the services you require are delivered to your expectations
- Regularly check in with you to see how things are going
- Liaise with health professionals on your behalf
- Reassess your care requirements annually or when there is a trigger for change
- Ensure care and services are in line with your needs and goals
- Assist in planning your future

Your Care Partner will regularly review your care plan, and services will be adjusted to meet your ongoing needs, ensuring you receive the most appropriate support to assist you to remain comfortably at home.
