

EVERGREEN

WEST GOSFORD

Home is where the heart is

When you live at Evergreen, your home is a haven for your wellbeing – keeping you connected and independent at every stage of life. That’s why our dedicated team is now providing in-home care services.

If you or your partner need some extra daily living care, we’re here to help with services and support to suit your unique needs. And if those needs changes, we’re on hand to provide respite or continuity of care.

We’ll take the time to work with you to personalise your care management, whether you receive a Home Care Package or are a self-funded resident.

You’ll feel a genuine connection with your onsite carers, who will always go the extra mile to help you achieve your lifestyle goals. As home care experts, we can also help you navigate the complexities of the aged care system so you can get the most from government contributions.

Access our high-quality care with genuine heart, in the comfort of familiar surrounds, and with the staff you know and trust onsite and ready to take care of you.

- Independence at home – such as cleaning, shopping, meals and home maintenance.
- Social connections - including visits, taking you shopping or to appointments, and group activities.
- Personal care – such as hygiene, dressing, eating, medication prompting, management and administration.
- Nursing – including assessment, clinical treatment, and wound care.
- Allied health services coordination.
- Home modifications and equipment for mobility, safety and independence.
- Care management – including clinical oversight, monitoring care needs, and wellness checks.
