

ROSEWOOD
CARE GROUP

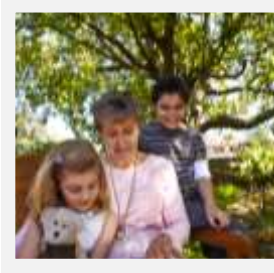

Care is in our name

Rosewood Care Group residential facilities are committed to providing residential aged care services that consistently meet the specific needs and expectations of residents and relatives, providing a program of health that ensures optimal quality of life.

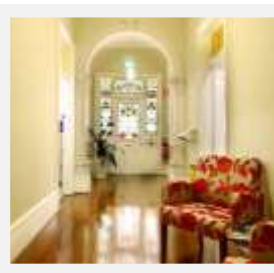

Established over half a century ago, Rosewood Care Group continues to provide exceptional residential and community care services to Western Australian seniors. We understand choosing residential care can be a difficult and emotional decision. Rosewood endeavours to assist you through this transition, providing you with the information and support you need.

Our social and recreational activities ensure a warm sense of community and we believe in the extension of our facilities to the wider community. We encourage our residents to maintain their connections with family and friends.

We take pride in making your life easier providing services such as fresh cooked meals, hairdressing, podiatry and a full range of hotel services. Rosewood has set the standard when it comes to ensuring the provision of contemporary care for our residents.

We are located in West Perth close to the city and within walking distance of public transport and near shopping precincts.
