

SUPPORT AT HOME FEE SCHEDULE

2025/2026

This fee schedule outlines the care services available under the **Support at Home program** from **1 November 2025**,

- Package management fees will no longer be charged.
- Care management fees will be capped at a maximum of 10% of your quarterly budget.
- Administration and compliance costs are now included in the hourly rate for services, so you only pay for the administration related to the care you receive.

The above changes mean more of your budget can go directly towards the services you receive, giving you greater value and more hours of care.
