

Everyday *your way*

Proudly part of the Apollo Care Alliance

A welcoming *country-style* community

At Eloura, we support each resident to maintain their interests, familiar routines and connections to the people and places they love.

We're working hard to make our community an even better place to live and work, with a multifaceted improvement program that comprises best-practice governance, an award-winning employee wellbeing program, and a cutting-edge cloud-based IT system to optimise resident care.

Eloura has a culture of caring that puts residents first. Here, everyone is supported to live their way, with grace and dignity.

Everyday *by your side*

Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine. We listen, respect your choices and support you to live your way, whatever that looks like to you. Our expert team is on-hand 24/7 to provide tailored care that matches your specific needs, delivered with kindness and compassion.

Everyday *home cooking*

When it comes to food, there's plenty of choice – just like home. Everything is freshly made in our own kitchens, and our nutritious, seasonal menus offer variety and family favourites. You can choose to join your neighbours for meals in our dining rooms, or enjoy them in the privacy of your own suite.

Everyday *wellbeing*

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Program includes a range of interesting activities and outings, and we'll help you maintain your valued family and community connections. Residents are welcome to attend on-site Chapel services and receive pastoral support.

Everyday *spaces*

Eloura is divided into smaller households that are designed to feel like home. There are welcoming lounge and dining spaces and all the pleasures of a traditional backyard, like raised flower beds, established trees and shaded seating areas. Your light-filled suite can be furnished and decorated as you like, so it feels like a master bedroom.

Everyday *for locals*

Eloura is proudly part of Apollo Care – an innovative national alliance of not-for-profit aged care communities. Our specialist team of leading industry experts is supporting Eloura to evolve and thrive, while preserving what makes it so special to this beautiful region. Together with the wider community, we're building a sustainable future for aged care in Quirindi so locals can choose to remain living here as they age.
