

## About Southern Cross Care (NSW & ACT)

Southern Cross Care (NSW & ACT) is a not-for-profit aged care organisation, established in the local community for more than 40 years. Founded by the Knights of the Southern Cross, we offer quality support and care, comfort and security in a Christian environment.

Our network of villages and facilities comprising independent living units, supported living apartments and special care cottages are designed for people 60 years and older and are complemented by our home care programs.

Our clients and residents are of paramount importance to us. We respond to the needs and expectations of the people we are privileged to care for by developing innovative practices and continually striving to provide the best possible care, comfort and security for the people we serve.

With more than 1,500 staff and a variety of roles to choose from, we offer rewarding career opportunities.
