

ANNEXURE – CURRENT PRICE LIST

Home care pricing schedule

Version 1.2 – effective 1 October 2026

Crisden Care offers transparent pricing to all of our Clients. This is to make the complex simple, ensuring you are always informed and clear about what your home care funding can achieve for you.

How care management and overheads are charged

Care management	Coordinating care and services that help you deliver on the goals in your Care Plan. Your Care Partner works with you to keep your plan and budget suitable for your needs, reviewing it regularly – referring to external providers and liaising with health professionals as required. It can be provided face-to-face, or by phone or email.
Pooled care management	From 1 November 2025, care management is capped at 10% of your funding. It is deducted automatically and held in Crisden Care's Care Management account with Services Australia, so those who need additional care management receive it.
Package management	From 1 November 2025, package management is no longer a feature of home care funding. Providers build administration costs and other overheads into their hourly unit costs.

How to read the rates

Weekday	Monday to Friday, before 6:00pm.
After 6pm	Weekday services from 6:00pm.
Saturday, Sunday, Public holiday	Higher rates apply.
At cost	Passed on with no margin, plus a 10% handling fee on third party invoices.

Rates are per hour unless a duration is shown. Where a service lists 15, 30 and 60 minutes, choose the block that suits the visit.

Everyday living

Help around the house, so home stays comfortable and easy to manage.

Good to know

- Cancellations – any cancellation with less than 24 hours notice may require the service to be charged, dependent upon the reason for cancellation.
- Registered Nurse (direct) is where the RN is attending in person. Registered Nurse (indirect) is nursing provided virtually.
- Enrolled Nursing is available in some areas and can be provided under the direction of a Registered Nurse and within the scope of their role.
- Some services require quotes prior to being provided.
- Where Crisden Care receives and pays an invoice on your behalf – for example, delivered meals – we apply a 10% handling fee to account for the administrative costs of facilitating that payment.
- Where an Associated Provider's price is higher than Crisden Care's published price, we will make you aware of this price, and apply a 10% handling fee for facilitating the payment.
