The VMCH Way

Here at VMCH, we have adopted The VMCH Way – an innovative methodology, based on Montessori principles, designed to support older people to live an enriched life.

We support and nurture residents yet encourage them to do as much as they can for themselves. Involving a person in everyday activities is key to feeling valued and having a sense of purpose. We invite family, friends and staff to get involved; working together to ensure the very best outcomes.

Pastoral Care

Our pastoral care team is here to support you as you settle into your new home. Shortly after you arrive, a compassionate Pastoral Care Practitioner will connect with you to offer a listening ear, spiritual support, or simply someone to talk to.

You don't need to be Catholic to access our services—we welcome people of all cultures and faiths, and it's our privilege to care for those who put their trust in us.
