## Group Social Support and Community Engagement

### Friendship Club

Our Friendship Club provides you with the opportunity to socialise and enjoy a variety of activities with friends. It may also enable respite time for your carer.

There is a daily cost of \$220 for attending the Friendship Club and an additional cost for transport (if required) as per our schedule of rates. You are welcome to arrange your own transport if this is your preference.

The cost for lunch at the Club is \$15. This is charged directly to you and cannot be charged to the Support at Home Package. This covers the cost of a meal prepared by our cook, consisting of a hot lunch and dessert and morning tea. On occasion there may be lunch outside the Club and this is charged at cost. Some activities have a small cost attached and this will be notified in advance.

### Melville Friends

We run a schedule of small group events that can be tailored to your requirements. These could include restaurant outings, golf, movies or anything that you are interested in doing. These are client driven so allow clients to request an activity of interest to them personally. These are charged at the group social support rate of \$40 per hour, plus transport costs.
