In the foreground, there is a lush green lawn with two stone statues of children sitting on a bench. To the left, a large stone sculpture of a figure with a cross-like structure on its head stands on a raised platform. The scene is bright and sunny, with a clear blue sky.

St Hedwig

BLACKTOWN
RESIDENTIAL AGED CARE

Welcome to St Hedwig, Blacktown

Located in Sydney's West, this Home has a friendly and welcoming feel. St Hedwig was established by the two German Catholic communities of St Raphael's Blacktown and St Christophorus Croydon, over 33 years ago. The Home provides care primarily to the German speaking population of Sydney and seniors living in the local area.

There is a focus on bringing the local community into the Home, and there are a wide range of outings and activities which residents can choose from. There are ample, tranquil gardens to enjoy the outdoors with visitors.

Our dedicated staff will get to know you, what's important to you and what makes you smile. Working together with you, our team will develop a tailored care plan focused on enriching your health, wellbeing and day-to-day living.
