

Support at Home Pricing Schedule

This Schedule provides information on the price for common services you can access through the Support at Home Program. The costs will be deducted from your overall program budget. There are many other services you can access through the Support at Home program that are not listed below. This may include allied health services, home maintenance, aids or equipment which may form part of your Care Plan. Services delivered as part of your Care Plan are GST-free. Costs relating to exit amounts are not GST-free.
