Please note:

- 1) As per Services Australia requirements, our service times will be charged in 15min increments;
- 2) Care Management fees applies to all participants in the Support at Home program. To pay for this service, Services Australia deducts 10% of your quarterly Support at Home budget. To access these funds from Services Australia, Brodribb Home Inc applies the following Care Management Fees:

Care Management Fee 1HR (charged in 15min increments)	125
Clinical Care Management 1HR (charged in 15 min increments)	190

- 3) Under the Support at Home program, the **Assistive Technology and Home Modification (AT-HM) Scheme** provides eligible participants separate funding to access products, equipment and home modifications that will help you live independently for longer (refer to Section 22 of our SAH Service Agreement). Talk to our Care Partners for additional information;
- 4) Under the Support at Home program, you can also access additional, separate funding, for the **Restorative Care Pathway**. The aim of this funding is to:
 - Maximise ongoing independence
 - Prevent, delay and/or reverse physical, functional and cognitive decline through targeted interventions (ie restorative care for people at risk of falls, people with frailty, dementia or requiring nutritional support or support with their mental wellbeing and social connections)
 - Enhance quality of life
 - Support older people to remain living at homeBrodribb Home Inc provides access to highly skilled Nurse Practitioner and Clinical Nurse Consultants that can design and implement your restorative care plan (refer to Section 23 of our SAH Service Agreement). Talk to our Care Partners for additional information; The hourly rate for this service is \$221.
- 5) The Support at Home program also provides separate funding for the **End of Life Pathway**. Additional information is available under Section 24 of our SAH Service Agreement and from our Care Partners.
- 6) For Clients receiving services under Clinical Support we will conduct a **New Client Clinical Assessment** to ensure your clinical needs are met accordingly. This is conducted by one of our Registered Nurses and revised by our Nurse Practitioner. The hourly rate for this service is \$190.
- 7) For Clients receiving services under Clinical Support we will also conduct an **Annual Assessment** to ensure your clinical services meet your ongoing needs. This is conducted by one of our Registered Nurses and revised by our Nurse Practitioner. The hourly rate for this service is \$190.
