

Support at Home

PRICE SCHEDULE

Date of issue: 1 November 2025

A guide to our Support at Home prices

This booklet has been designed to help you understand the charges that will apply to your Support at Home (SaH) package when you select Community Interlink as your provider.

This booklet includes:

- Australian Government Support at Home subsidy amounts
- Community Interlink 10% Care Management fee amounts
- Remaining package amounts after the deduction of the Community Interlink 10% Care Management fee
- Community Interlink 10% Care Management information
- Community Interlink Service Prices
- Support at Home Consumer Contribution information

Community Interlink prices may be subject to regular increases in line with the cost of delivering services. All changes will be made in consultation with the Support at Home Consumer.

Community Interlink can be contacted via:

phone: 1300 203 203, **email:** info@interlink.org.au

Australian Government Support at Home Supplements

Additional payments are available to eligible care recipients to cover costs for specific needs. This funding will be added to a Support at Home participant's budget when approved.

Community Interlink Care Management

Community Interlink provide all Support at Home Consumers with three highly-qualified staff to assist them with the management of their package including a:

1. Care Manager
2. Service Support Coordinator
3. Finance Officer

These specialised staff ensure that each Support at Home Consumer has access the best care and services possible with the funding available to them.

Non-profit Provider Highly-qualified staff Public Health Alliance

**Community Interlink Care Management can be purchased privately without Support at Home funding.
(Refer to pg. 4 - Community Interlink Service Prices for applicable rates.)**

Support at Home Consumer Contributions

Support at Home program Consumers may be required to contribute to the Services they receive, by paying a Service Contribution at the rates prescribed by the Aged Care Act and set out in their Services Australia assessment (if any). The Consumer's Service Contribution Rate depends on their means and may change over time.

Support at Home Service Contribution Rates:	Clinical Care Supports	0%
	Independence Supports	5% - 50%
	Everyday Living Supports	17.5% - 80%

If the Government assesses that a Support at Home Consumer is eligible for a Fee Reduction Supplement, this will reduce the Service Contributions they need to pay.
