

CGH Community and Allied Health Services Fees: These service fees reflect the cost per unit of CGH services. Additional expenses—such as consumables, equipment hire, building materials, resources, or parking—are not included in the service fee and will be charged separately. Participants may also be required to make co-contributions toward the cost of services provided under the Independence and Everyday Living categories of the Support at Home program.

Cancellation of services: Notice of cancellation for services must be provided by 2.30pm the day prior. If notification to cancel service/s is not received, the fees applicable to the service will be charged.

Minimum time: All services are for minimum of 30 minutes with 15 minute increments thereafter.

***Delivered Meals:** A fixed co-contribution of \$6 per meal applies to cover the cost of ingredients. Please note that the Support at Home program does not subsidise the cost of food, so this amount is not covered by your funding.

For all services sub-contracted that are higher than the unit prices below, they will be charged at cost + 9.5%

Effective from: 1st November 2025

GST: Exclusive to service fees and consumables.
