

# Welcome to **Kirra Beach** Care Community

## **Discover why this could be your best move yet**

At Kirra Beach Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located just moments from Coolangatta's beautiful beaches, our home offers the best of the Gold Coast lifestyle. We're surrounded by shops and cafes, with major health and hospital facilities within easy reach. Our well-appointed home is set in tropical gardens, with light and airy living spaces both indoor and out, ideal for spending time with loved ones or quiet moments of reflection. We enjoy close ties with the local community and are known for our expert care and welcoming hospitality.

## Daily life

Located so close to the beach, outings to local parks and Point Danger are always popular. Residents enjoy tending our gardens and spending Sunday afternoons 'at the movies' watching classics old and new. Milkshake Mondays are a bright start to the week. Our men's shed offers interests and companionship for residents who enjoy engaging in hands on construction projects which support the local community.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
